#### **DOH CITES CTS EARTH MOVING**

The Hawaii State Department of Health, Clean Air Branch, has issued a Notice of Violation (Docket No. 05-CA-EO-17) against CTS Earth Moving, Holualoa, Hawaii for not conducting the 2004 annual source performance tests on its portable crushing and screening plant. A facility inspection conducted on August 10, 2005 discovered the failure of CTS Earth Moving to comply with the conditions of their air permit. Conducting annual source performance tests are important to ensure continuing compliance of a facility with applicable state and federal rules and to minimize air pollution impact to the public.

CTS Earth Moving has paid a penalty of \$5,400 and has been ordered to take corrective actions.
